

Светильник	Коробка	Паспорт
1 шт.	Групповая	1 шт.

www.alb.ru

The technical drawing shows a square light fixture with an outer dimension D and an inner dimension B . The wiring diagram below it shows the internal connections. The fixture is labeled 'Светильник' (light fixture). It has four terminals: 'L' (live), 'N' (neutral), 'PE' (protective earth), and '0' (ground). The connections are as follows: 'L' is connected to 'L', 'N' is connected to 'N', 'PE' is connected to 'PE', and '0' is connected to '0'. The diagram also shows a 'Вывод кабеля' (cable outlet) and a 'Вывод кабеля' (cable outlet) for the 'Светильник' (light fixture).
