

Technical drawings of the 'Светильник' (Light fixture) showing front, side, and detail views with dimensions.

Front View: Shows a rectangular fixture with a width of 1100 mm and a height of 100 mm. It features a series of 12 light modules along the top edge.

Side View: Shows the profile of the fixture with a height of 52 mm. The mounting holes are spaced at 587 mm, with a total length of 3400 mm (4800 mm including mounting flanges). The mounting holes have a diameter of $\phi 21$.

Detail View: Shows a close-up of the mounting flange with a diameter of $\phi 15$ and a thickness of 4 mm.

Electrical Connection: The fixture is connected to a power source (L, N) via a switch (S) and a ground connection (PE).
